Making lifetime friends is an important part of the college experience and for sociology majors Mary Louise Capers, Sandra Parson, and Elizabeth Haglen, they have found just that type of friendship in each other. When asked what they liked best about A.C. they replied: "Recently, what we have enjoyed most is the lake front property at Clark Hill. Every Friday, we drive up to the lake to get away from the pressures of school. It revives us especially the beer we drink. It would be nice to see more students and faculty at the lake — they do not know what they are missing. But the best things has been the wonderful friends we have made at Augusta College."

Senior political-science major Patti Peabody states: "Being a part of A.C. has been very meaningful for me, I have never had any trouble cheering on the team or school, it just came natural to me. A.C. has been a Peabody Family tradition for three generations." Patti, a member of ZTA, feels that her sorority has enriched her college life by providing her a support group and lifetime friends. Patti, with her dedication to A.C., it is no wonder that she is also a member of the student government and in this year's Who's Who.

Senior biology major Doug Johnson for the past year has been president of the Student Government Association. Reflecting back on his college experience, Doug states: "The four years that I have spent at A.C. have been the most enjoyable and rewarding years of my life. I have enjoyed both the academic activities and the extracurricular activities. This year I have had the privilege of serving as the president of the Student Government. This involvement has enabled me to work with a wide variety of people. I am grateful to A.C. for giving me the opportunity to make a lot of friends and gain a well-rounded education."

Long after most students have left A.C. for the day, Charles Bruni returns to campus not as a student but as one of our finest Public Safety Officers. Charles, a junior majoring in psy. and soc., has worked for the Augusta Police and Richmond County. He returned to college because he feels the police and their administrators need to better understand crime. Charles holds: "I would like to be instrumental in upgrading law enforcement in Ga. Specifically I would like to see a bill passed to allow active law enforcement officers to attend state colleges at no cost. This would upgrade the education level of police, who generally have low education. It is important the police have the best education possible because they have the ability to effect so many lives."

Post-Baccalaureate students are greatly outnumbered at Augusta College, but they are still part of the A.C. campus scene. One of the most distinguished pre-med students is Mike Bryan. Mike received his B.S. from the University of Missouri at Rolla. Aside from his studies, Mike works in the Student Activities office and as a part-time nursing assistant. Mike states: "The academic environment offers a tremendous opportunity not only to learn the important technical peg points of a specific trade but also to develop socially. Although it may seem to do little to help initially get a job social skill will be a major component in advancement in that job. A.C. offers ways to fortify both academic and social skills."

After 30 years in the Army, Jim Baily has made his permanent home in Augusta. Jim has been at A.C. on and off for about 13 years. He has earned a degree in Psychology and Education and is taking writing courses currently. Jim often contributes to the Bell Ringer and through his delightful article the whole campus has come to know him and his family. Jim believes A.C. is a fabulous college and that one does not have to be working on a degree to go to college; people can learn just for the education. He holds that A.C. can give a person a good education in just about any field that a person would want.

Transferring from one college to another is never easy, but for seniors Joy Postell from Western Carolina and Stevi McKnight from the University of Kentucky, transferring to A.C. was not the expected nightmare. Joy says: "Do you recall your very first day as a college student? Everyone could distinctly categorize you as a freshman because you were constantly referring to your registration form and campus map. Being a transfer student, I dreaded that I would be categorized as a freshman for a second time. Fortunately, thanks to the layout of the A.C. campus, the orientation, and the assistance of fellow students, I never had to use my campus map." Stevi compares the two schools by recalling: "At U.K. the faculty never knew anyone's name, you were just your social security number, and the campus was so large that you had to ride a bus from class to class. A.C. has been like a breath of fresh air, everyone is important here and the campus is compact enought to be able to walk from class to class, and besides I much prefer 'Stevi' to 8042!"

Carla Dent, a senior majoring in accounting, is one of the most active students on campus. Carla is the business manager of the Bell Ringer and the treasurer of Phi Beta Lambda, which is the business organizaiton on campus. This year she placed 2nd in the accounting state competition in Carrollton Ga. and was a member of the Homecoming court. Known for her wit, Carla believes that you have to make things happen; she stated; "If you love something set it free, if it does not come back, hunt it down and shoot it."

Senior Julian Hymen has always been intererested in classical music, that is probably why he does such a great job as the late afternoon disc jockey at WACG, the college's public radio station. Julian is a sociology major and is very active in community social research projects. He is also an outdoorsman, camping and owning his own small fishing company. Regarding the radio station, Julian holds: "People don't realize what a treasure the station is, it is a vital asset — a special gift. The station has great potential but too few know about it and support it. I only hope that it can survive and grow to be an important part of the Arts in Augusta."

Dwayne Hooks, Sophomore, major biology and sociology, was Chairman of the Student Union, that is the entertainment and programming board of the Student Government. He was also a member of Student Senate, business manager of White columns and Vice President of Circle K. Dwayne believes "It is important for students to become involved in extracurricular activities because it relieves the stress of academics. In college you have to learn more than book-smarts — you need to develop common sense and social grace which can be acquired through the social atmosphere of planned student recreational activities. What we need is more student participation in planned activities; these programs are paid for through the student activities fee that each student pays so see your student activities fees in action and come have some fun."

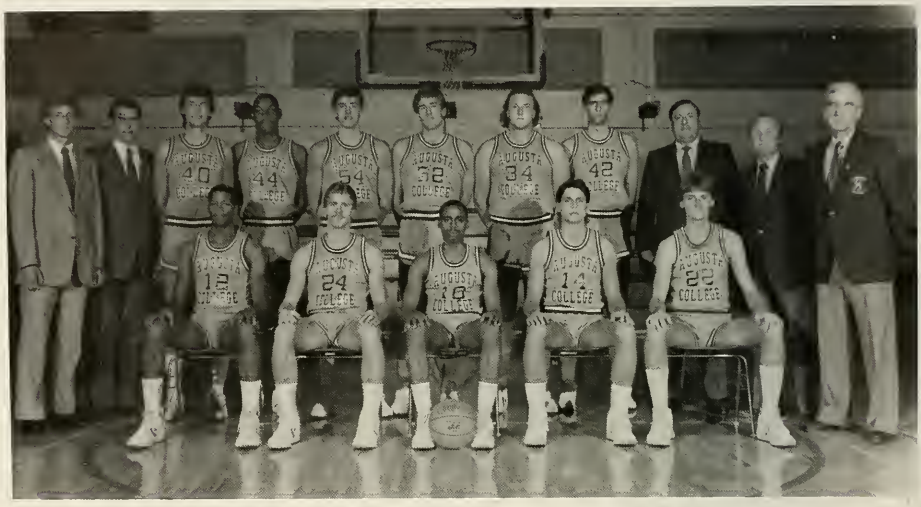
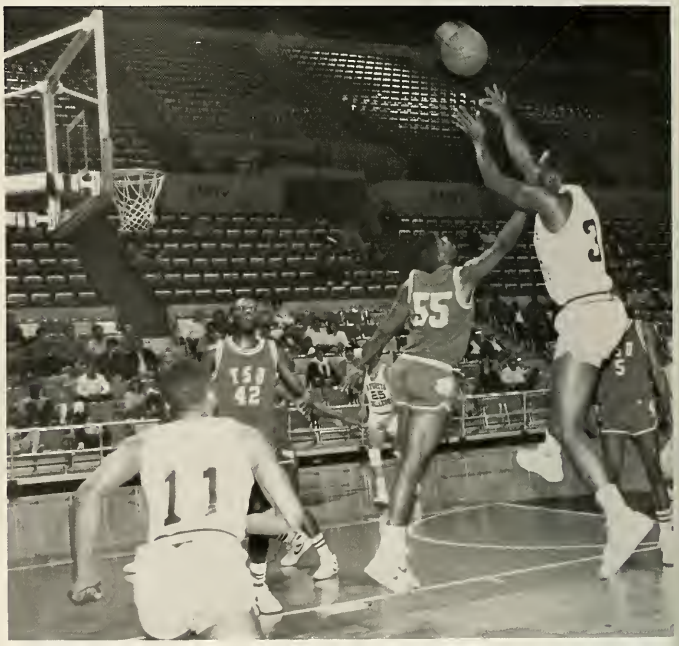
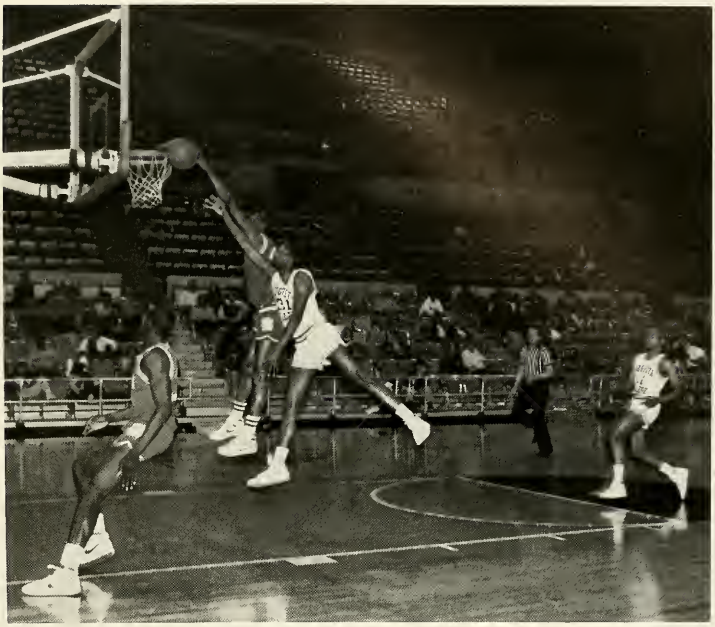
MEN'S BASKETBALL — BEST WINNING SEASON SINCE '81!



Front row (from left): Vincent Jackson, Eric Rogers, Tyrone Gross, David Long, and Jeff Hudson. Second row: Managers Dennis McBride and Kevin King, Brad Mays, John Walker, Gerrard MacLeod, Eric Erchison, Eric Jerotic, Javier Ruiz, assistant coaches Larry Wall and Neal Cody, and head coach Marvin Vanover.





The A.C. Men's Basketball team improved remarkably over last season's performance, producing their best winning season since 1981. They defeated Mercer, Georgia State, and Georgia Southern — three of the best teams in Division I of the TAC Conference. They also surprised many when, after being picked to finish sixth in the Big South Tournament, they finished second. Many new players, orginally considered a weakness, were in fact a strength, helping to improve the teams overall rebounding, playing inside the opponent's defense, and providing good height in the center. If most of the players return next year, this team could have an excellent season ahead.

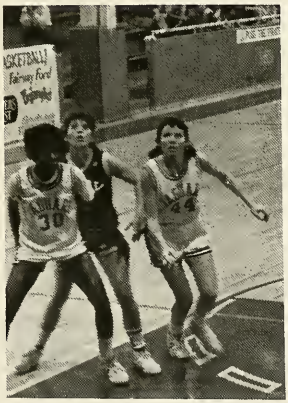
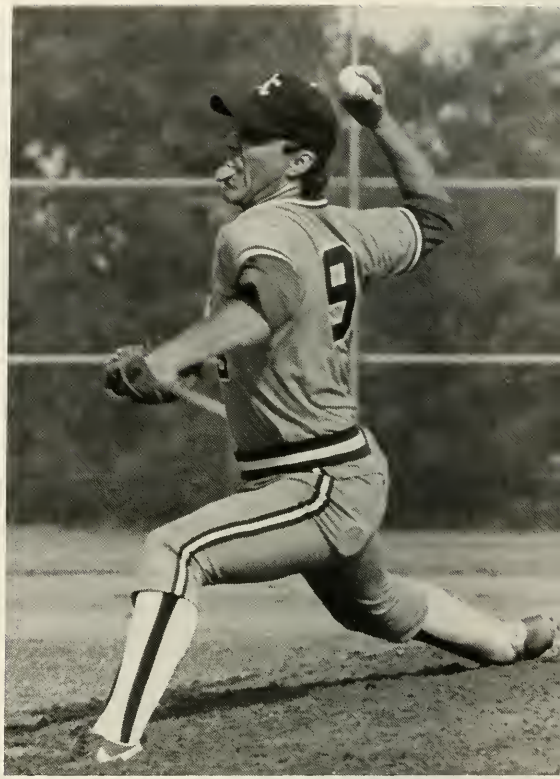
WOMEN'S BASKETBALL FULL OF SURPRISES!

The Women's Basketball team, like the Men's team, had a surprise or two as part of an improved performance this season. They shocked third-ranked Georgia Southwestern with a 63-62 victory and defeated Armstrong State at the Homecoming. They finished the season with equal wins and losses in both the general record and regional record.

LADY JAGS STRUT THEIR STUFF!





The A.C. Baseball team finished a winning season this year, a season that went very well despite a few early losses. The Jags faltered a little as the season wound down due to tough opponents like Georgia Tech, Clemson and Mercer. The team did however place third out of eight teams in the Big South Tournament, which was hosted by Augusta College.

BASEBALL TEAM PLACES 3rd IN BIG SOUTH

Members of the Team: Mark Bennett, Keith Reese, Tony Miller, Ken Morgan, Donnie Poteet, Frank Moore, Larry McKinney, Mike Austin, Barry Bell, Kevin Green, Stuart Chester, Johnny Pennington, Scott Rapp, David Griffin, Daniel Martin, Collin Cassedy, Roger Parham, Trent Mercer, Tracy Durand, David Long, Darren Newman, Jeff Hodson, and Johnny Maybery.

SOFTBALL: AN IMPRESSIVE SEASON

One of the teams that managed to put together a winning season is the women's softball team. Under the direction of Coach Lowell Barnhardt, the Lady Jags have made strong progress in their performance, defeating such powers as Georgia Southern and Mercer. Mercer handed the Jags a 9-10 defeat but were later trounced by the Jags by a 21-8 score. Coach Barnhardt says of the Jags, "The team has adjusted well to the fast pitch game. We aren't a power hitting team, but we do make contact with the ball. Our biggest strength was our defense. I think our players had the best gloves and throwing arms of any team we had faced."

Players (in alphabetical order): Martina Anderson, Maggie Brown, Mary Chavous, Leigh Ann Martin, Moe McCormick, Susan McDowell, Sheri Morgan, Angie Newman, Debbie Osterhoudt, Pam Peterson, Susan Rhoden, Janet Walden, and Lisa White.

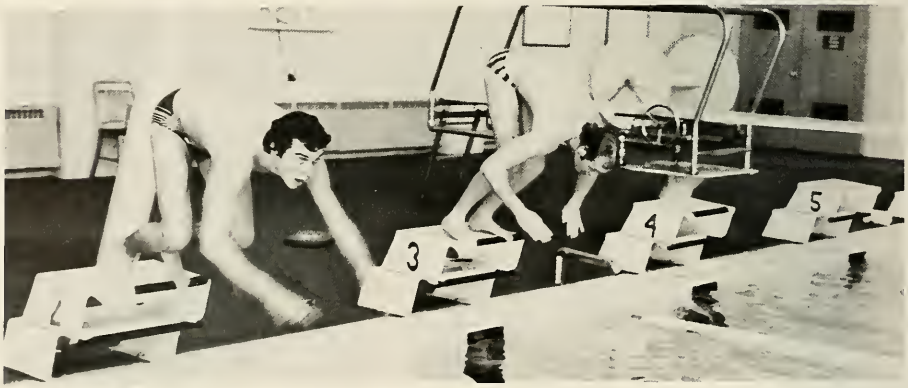
AUGUSTA COLLEGE SOCCER TEAM — WORKING HARD AND MAKING GAINS!

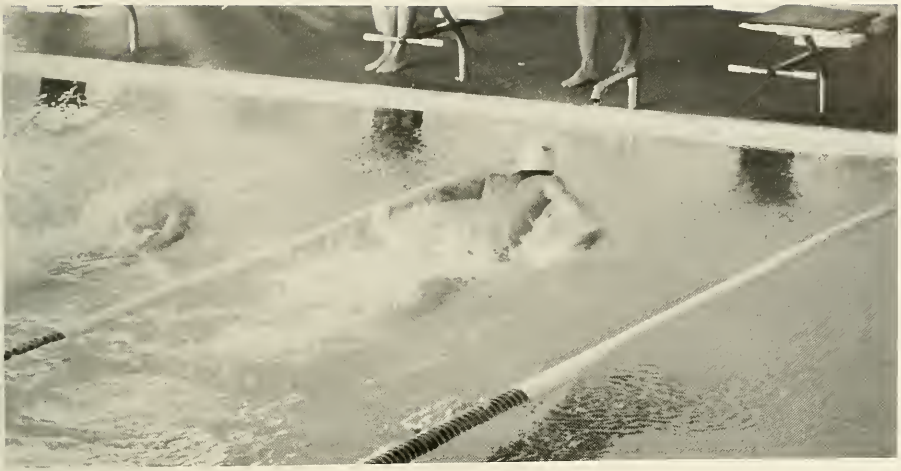
Although they did not have a winning record this year, the A.C. soccer team did make impressive strides. Hobbled by player losses due to academic ineligibilities and non-returning players, the Jags nevertheless were very competitive against tough competition and a rugged schedule. They developed many dimensions of their team, and look forward to more recruits to complement the team.

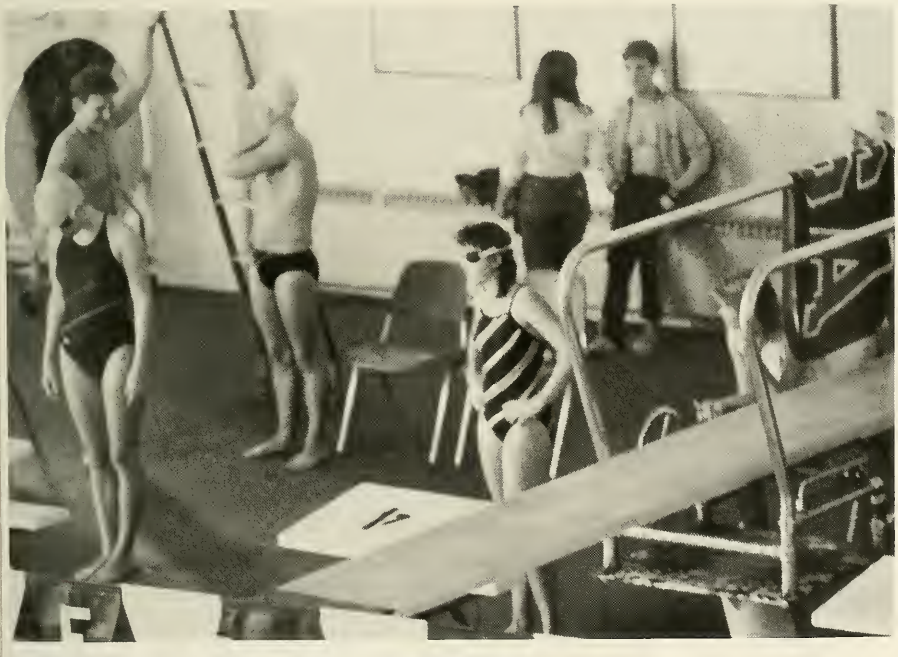
Front row (left to right): Rob Demartinez, Doug Starzec, Brian Hatch, Chris Taylor, Jose Pumarego, Ben Amporful. Top row: Coach Lowell Barnhart, Kevin Vaughn, Jay Proctor, Tony Dewitt, Dough Trott, Dennis McBride, Brad Rollins, Rusty Mobley, Gary Lavengood. Not pictured: Mark Marlott and Tony Baird.

SWIM TEAM HAS BRIGHT STARS!

The Men's and Women's Swimming teams had problems in team competition, but managed to provide bright stars. Among the best was freshman Suzanne Johnson, who finished first in two races at the women's team's last meet. Suzanne and the rest of the women's team will carry on next season.



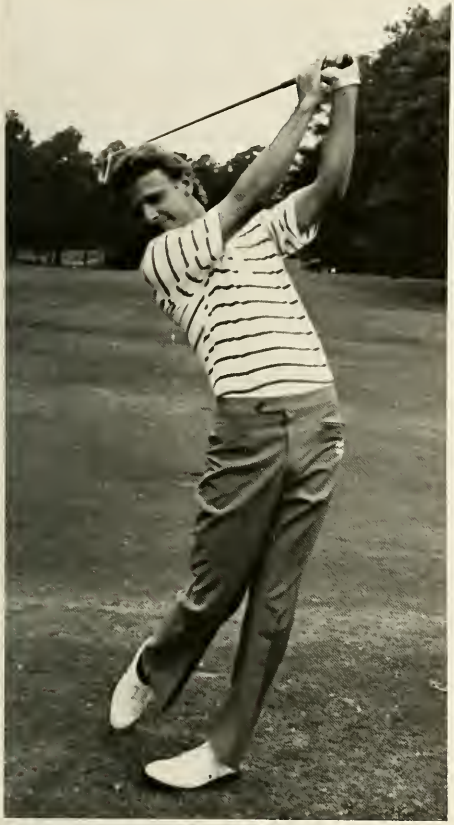




Men's Swim Team: Tommy Northcutt, Brent Mikel, Brad Rollins, Phil Stokoe, and Tom Mason (assistant coach). Women's Swim Team: Suzanne Marie Johnson, Adrienne Horton, Mary Nisbet, Angela Heilig, Kelsey Kemple, and Julie Mischel.

GOLF TEAM SWINGS INTO ACTION

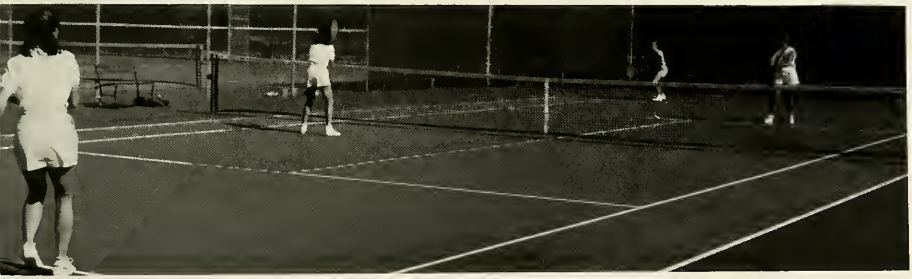
Although the team was composed of mostly new players, the A.C. golf team finished an impressive season, highlighted by their second win of the Big South Tournament championship. Coach Ernie Langford was named Big South Coach-of-the-Year, and freshman Taylor Smith, along with teammates Roger Rowland and David McGowan, were selected to the All-Conference squad. Next year, a team with experience gained from this past year and a tournament win will have a dazzling season.

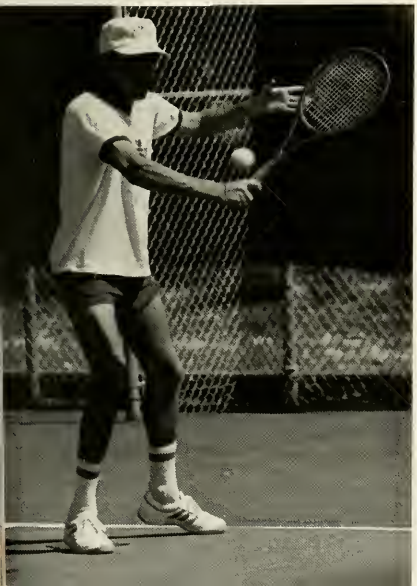


Golf Team: Taylor Smith, Brad Adams, Roger Rowland, David McGowan, Brian Hodgson, Tripp Bowden, Dave Eby, Clay Bennett, and Sam Mays. Pictured Golf team and friends.

TENNIS TEAM STRUGGLES

The women's tennis team, against very tough competition all season managed to close out the season with wins against Armstrong State and Georgia. Such competition came because of the move to the NCAA's Division I — a situation common to virtually every team on campus. Meanwhile, the men's team competed under much the same cirumstances as the women's team and likewise had difficulties. Still, with all the problems, both teams will be better prepared for next season.





Men's Team member: Mark Beasly, Chris Skelton, Deac Heilig, Mark Randall, Joe Hamilton, Kevin Cotter, Kelly Crandall, Ronnie Wilcauskas, and Patrick Hayes (assistant coach). Women's Team members: Carol Zembiak, Patrice Oglesby, Denise Woodward, Susan Coleman, Jayne McElmurray, Mary Alice Mealing, and McCoy Williams (manager).

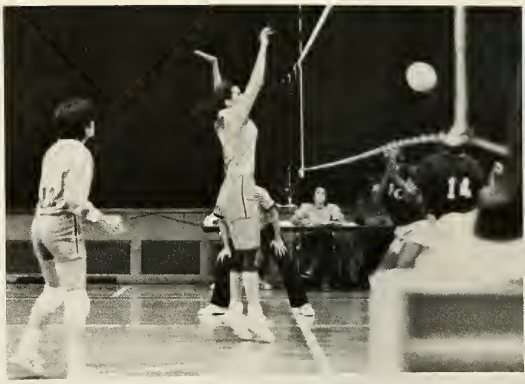
CROSS COUNTRY TEAMS HAVE THEIR BRIGHT MOMENTS!

A.C.'s Cross Country teams had a very productive season this year. Neither teams placed very high in some meets, but there were some bright moments. The men's team won their meet outright against Paine College, while the women's team had some members selected to the Georgia All-State team and to qualify for the state meet. Both teams should improve remarkably next year.

Women's Team: Angela Heilig, Debra Osterhoudt, Susan Tuten, Linda Fayerweather, and Kay McNally.

Men's team: Andy Tisdale, Dennis McBride, Stephen Crutchfield, David Snapperman, Chris Everly, Tim Conway, Coach Larry Wall. Not pictured: Pete Salter, and Joe McElmurray.

VOLLEYBALL RETURNS TO AUGUSTA COLLEGE

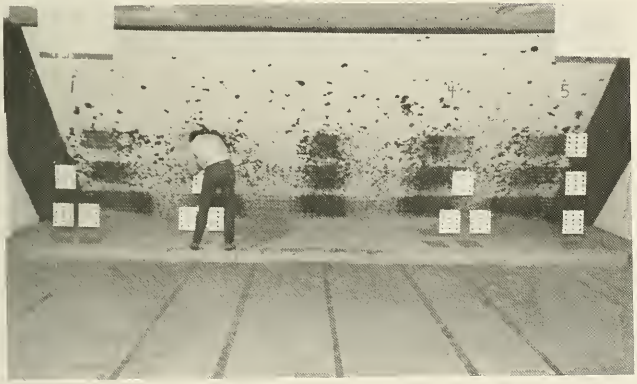


Under first-year coach Joanne Rowe, women's volleyball made its return to Augusta College. The team did not win many games, but worked hard laying the groundwork for future seasons by building better teamwork and gaining experience. They did remarkably well against rivals like Paine College, Campbell University, Erskine College and South Carolina State. The future will not be easy for these Lady Jags, but they have the potential to make it a brighter one.

Top row (from left): Maggi Brown, Stephanie Revelle, Sandra McCloud, Lisa White, Maureen McCormick, Coach Joanne Rowe. Front Row: Patrice Ross, Kim Brown, and Sheri Morgan.

RIFLE TEAM SHOWS SHOOTING SKILLS

Rifle Team (front row): Sidney Raper, Ronald Cliburn, Olin Goodhue, Loradonna Norris. Major Stewart Cannon was coach (back).



The A.C. rifle team practiced their shooting skills this year and competed in Louisiana against nearly 18 other colleges. Each team member participated in matches requiring them to shoot 36 rounds at a bullseye target: 10 in a lying position, 10 in a kneeling position, and 10 in a standing position. They used .22-caliber rifles and practiced at the Academy of Richmond County's shooting facilities. Nearly all of the team members were in ROTC, so the experience helped greatly.

ENTHUSIASTIC CHEERLEADERS REFLECT TEAM SPIRIT!

Tirelessly supporting many of Augusta College's athletic teams, the Jaguar Cheerleaders are a reflection of the team spirit that pervades Augusta College. Lurelia Moss, their coach, believes they did an excellent job and were an important factor in many wins by our teams. They will continue to show the enthusiasm and support of the college through their lively cheerleading.

HATS: A
Tribute to
Harriet Tubman

Captivated by a mystical spell, the audience witnessed the life of one of the world's greatest freedom fighters — Harriet Tubman. Saundra Dunson Franks relived Tubman's life and memories by the removal of a series of small items from her trunk. Franks appeared on stage transporting the crowd back into the mid 1800's sharing Tubman's trials and tribulations, joys and sorrows, triumphs and defeats. HATS filled the evening with superior entertainment and education, but most of all it filled the heart.

Where sentinels once guarded
Thy armaments of yore,
Now aged oaks sublimely
Bespeak a lofty lore.
(Chorus)

CHORUS:
All hail, Augusta College
Our voices now we raise
To give thee, Alma Mater,
Our fervent love and praise.

And we, thy sons and daughters,
Who pass thy portals through,
Will keep thy inspiration
With honor high and true.
(Chorus)

Thy sword is now a plowshare,
And peace enshrines thy name;
The flag unfurled above thee
Adds glory to thy fame.
(Chorus)
